Lots of more than one piece are estimated count. All lots available for inspection at the auction and all sales final.

Buddhist Era (พุทธศักราช)

The year numbering system currently used in Thailand is known as the Buddhist Era, abbreviated to B.E. This year numbering system was introduced in 1910 by King Vajiravudh and starts at the year 544 BC, the year of the death of Buddha. Thus, to convert a Buddhist year to an Anno Domini year, simply subtract 543.
